

Architectural Drawings II

Tuesday March 30, 2010

HOW TO READ PLANS: PHASE II

Attendees should have attended the previous plan reading class or have a basic understanding of plan reading. Phase II will cover -

- Recap of Phase 1
- Elevations and Details
 - Millwork elevations and details
 - Finish details
 - Waterproofing details
- Introduction to Mechanical, Electrical and Plumbing (MEP) drawings.
 - Intro on information to expect on the MEPs
 - HVAC overview with a focus on zoning

Continental breakfast and seminar sponsored by Peacock Construction

The talk will be given by Kyle Peacock of Peacock Construction. Prior to building out tenant improvement projects for Peacock Construction, Kyle worked as a landlord construction manager for Boston Properties.
