Dear Mr. Gaskin,

On behalf of the kids and families at Children's Hospital and Research Center Oakland, we would like to take this opportunity to thank you for your very generous donation of toys received on December 21, 2009 to Children's.

Community support and donations have been integral to the success of Children's nonprofit mission since the day we opened our doors nearly 100 years ago. I hope you derive great satisfaction in knowing that your thoughtfulness and generosity will help cheer our young patients.

Children's Hospital Oakland provides expert, healthcare to all children, regardless of their family's ability to pay. Children's receives over 200,000 patient visits each year. All day, every day, we give kids our undivided attention.

Thank you again for your generosity, which helps realize this extraordinary mission.

Sincerely,

Brad Barber  
Senior Vice President & Chief Development Officer
