BOMA OEB SHOWCASE

While we may not be able to hold our in-person showcase, we can still get together. We'll be using an online platform (Remo) that will allow Principal Members to move from table to table to learn about your latest and greatest solutions and products. Property Managers, coordinators, engineers and other building staff are looking to see the tech and services they never knew they wanted or needed for their buildings, and your table might have just what they’re looking for! As a quick reminder, only associate members of BOMA OEB can exhibit at the showcase.

LOGISTICS & SET UP:

HOW IT WORKS:
Each Associate will have a table with six seats in the virtual show. Each Associate can have two staff sit at their table. Please feel free to hold a door prize at your table. We’ll also have a game for Principals to encourage their movement to your table.

COSTS:
$250 per booth, 2 staff per table
Platinum, Gold, and Silver Partners booths are included in their 2020 Partner Program.

SPONSOR OPPORTUNITIES

- Doordash Sponsor: $500 - 4 Available, will provide electronic Doordash certificates for Principal attendees
- BevMo Sponsor: $500 - 4 Available, will provide electronic BevMo certificates for Principal attendees
- Door Prize: Donate a prize to the Principal raffle
