NOT YOUR MAMA'S TRADE SHOW!

The Annual Innovation Showcase kicks off the fall season of education and networking with BOMA Oakland/East Bay. **Bring your office staff**, including young professionals and engineers, to find out what new, exciting tech and services there are available. From booth to booth, exhibitors will be highlighting “**What's New.**” You and your team will leave with solutions to the challenges that face your building, large and small, as well as improvement ideas for your budgets.

Peruse booths while enjoying a pint of 21st Amendment's finest on tap (or a glass of wine) and tasty appetizers. In between visiting booths, play **games** for charitable causes and meet up with **friends** from around the membership. Enter the raffle for **a chance to win**, among other prizes, two free tickets to this year's holiday party.

Mark your calendar and register your team today at www.bomaoeb.org.
